

MEASURE A

March 2nd Special Election Information

*The City of Eastvale City Council placed Measure A
on a March 2nd Special Election Ballot.*

Below are excerpts from the Official Resolution.

WHEREAS, the City's residents value the overall quality of life in Eastvale, and the City seeks to continue to be a great place to raise a family while navigating the health, safety and financial impacts of COVID; and

WHEREAS, from incorporation until 2018 the State of California took millions of dollars in revenue from the City of Eastvale, with the revenues only being restored after vigorous lobbying efforts by the City; and

WHEREAS, State rules limit what a city can budget, and Eastvale will soon be unable to fully budget its available revenue for services such as fire protection, emergency medical services, law enforcement, and street/road maintenance without voter action to adjust the State requirements, known as the "Gann limit"; and

WHEREAS, to continue to be self-sufficient and retain local control over our current taxpayer dollars, and responsibly budget available funds within the City's revenue and budget parameters for next fiscal year, it is necessary for Eastvale voters to authorize the City to continue budgeting existing revenue sources in a March 2021 election; and

WHEREAS, this type of voter-approved measure does NOT increase taxes or impose any new tax on residents, property owners or businesses...*
